

## Indian Wedding

Our experience start more than 10 years ago in the Indian world. Thanks to one of our partners, we were lucky and honoured to be able to work with many Indian companies, which allowed us to get to know the wonderful culture and the beautiful traditions of Inida. This knowledge has led us to dedicate an important space in our company to the “Indian world”. In these years we have created a specialized team to support all your requests. We know very well that Indian Weddings are vary, according to the region, the religion, the community and the personal preferences of the bride and groom. Is a very important occasions to celebrate love, family and traditions with a lot of decorations, colour, music, dance, amazing dresses and different rituals. We will take care about all details and all steps needed to respect your traditions; professional make-up artists for Bridal Mehendi and Guests Mehendi; Indian Dhol player to follow the ceremony; different design for you Mandap; our Indian catering will be grateful to prepare for you and for your guests, all the typical dishes of all Indian regions; our Dj Baba will unleash your guests with the most famous songs from the Indian top ten. We would be honoured to partner with you in planning a truly unforgettable Indian wedding!
