

Civil union in church
A Religious Ceremony for same-sex wedding

St. Paul's within the walls was the first Protestant Church to be built in Rome in 1873 after the Unification of Italy.

Our mission:

We firmly believe that a faithful who wants to join the Civil Union must be able to choose to celebrate their own religious ceremony. We believe that having a blessing in the Church is a right of faith.

Ceremony in the Church with religious rite, Sacraments and Blessing
