

the Wedder

EXPERIENCES

A 3000 YEARS old wine

SOMETHING OUT OF THE ORDINARY

Welcome drink and lunch in the Heart of Arezzo, the Duomo square.

One of the oldest restaurant of the City will give the welcome to the guest.

After the lunch we will go in a very special place.

We will take you to discover a little secret how wine was made 3000 years ago.

The only company in the world to have rebuilt the original technique.

This was the way they made wine (the drink of the gods)

1000 years before Christ.

Made like 3000 years ago
a gift from the gods
